

WG2 „Transnational Mobility in Master Programmes”

Topics for discussion (1)

- Influence of introduction of BAMA structure on student mobility
- Which level/ cycle of studies is more „suitable” for international mobility? BA or MA?

For transnational mobility in Master Programmes:

- Models for „incorporation” of study period abroad into the programme:
- Individual arrangements for each student
- „study abroad semester”
- Double/ Joint Masters

Topics for discussion (2)

2. How to organise international student mobility within Master programmes in a most effective way?
 - when?
 - for how long?
 - for what purpose?
3. Expected conditions for increased mobility in Master Programmes
 - European level
 - National level
 - University level
4. Examples of good practice for efficient organisation of mobility in Master programmes
