Integrated study program in History TübAix

- Founding and historical development of TübAix study program (3)
- General principles of integrated study programs (4)
- Organizational principles of the TübAix study program (5)
- Study plan (6)
- Evaluating the study program (7)
- Development of the number of participants (8 – 10)
- Job perspectives of graduates (11 – 14)
- Perspectives (15)

Integrated study program TübAix

2007

50 years of cooperation between the universities of
Aix-en-Provence and Tuebingen

Prof. Dr. Ellen WIDDER

15 years TübAix

Philippe MIOCHE
Professeur d'Histoire
contemporaine

General principles of Integrated study programs

- Integrated bi-national student groups.
- Special administrative tasks (registration, advising, etc.).
- Receiving a double diploma within the normal study period (= *Regelstudienzeit*).
- Job perspectives on the job market of both partner countries.

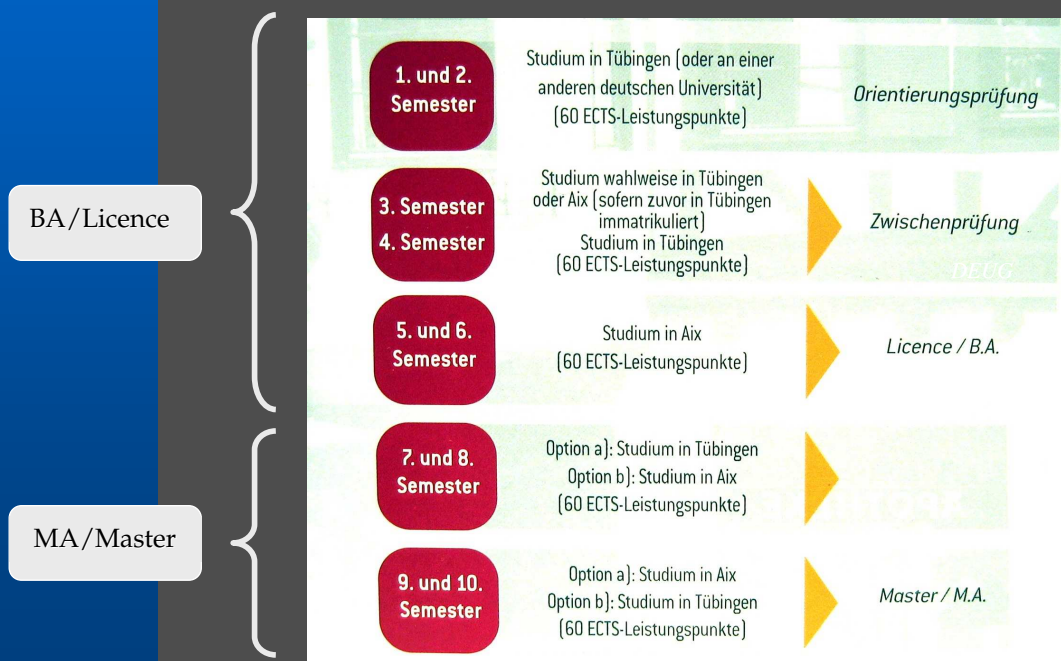

Organizational principles of the TübAix study program

- Conditions for admissions
- Study plan (6 & 7)
- Principles
- Mobility aid

Entering Professional life

(Number of asked graduates: 89)

DEBOUCHES DES ANCIENS DU TÜB-AIX, état 2005

12

Graduates

Results of a survey in May, 2006:

- Continuing university education: 52%.
- First jobs/internships: 48%.

Graduates

Results of a survey in May, 2006:

The double diploma played an important role in being hired for the first job and/or the first internship: 70%.

Internships:

Germany: 54%, France: 23%,
Other countries (Belgium, Kroatia, Canada,
Poland, Italy): 23%.

Permanent or temporary jobs:

Germany: 47%, France: 33%,
Other countries (Belgium, England, Italy): 20%. 14

Perspectives

Starting with the academic year 2007/8, there are two options to enter into the TübAix program: during the BA phase at the beginning of the 3rd semester or directly into the MA phase. The preconditions are a BA in History and a high proficiency in French.

Cooperation with the „Master professionnel „Métiers des archives, des bibliothèques et de la documentation“.
