17TH OCTOBER 2024 Online Meeting

DESCRIPTION

As a result of the conference “Spreading innovative results from European University Alliances to other Higher Education Institutions” held in Bergen (Norway) on 3-5 May 2023, the four organising National Agencies Austria (OeAD), Germany (DAAD), Hungary (Tempus Public Foundation) and Norway (HK-dir) have made joint efforts to convert the TCA into a LTA (a long-term activity) in order to continue cooperation concerning this topic. This step will provide all NAs with a number of new possibilities to arrange cooperation activities for the benefit of a broad range of stakeholders and help them to fulfil their role as multipliers.

This online-NA meeting is a follow-up of the first informal NA-meeting held on 24 April 2024. It will provide an overview of the current state of play of the LTA EUI and continue the exchange on mutual NA activities related to the European University Initiative (EUI) and on how to spread the current results from European university alliances to other Higher Education Institutions.

Profile of participants:

NA representatives interested in working on the above-mentioned topic(s) and who regularly deal with European Universities in their daily work (counselling and informing applicants, events, dissemination activities, etc.)
