0. Introduction

This is a call for **Erasmus Charter for Higher Education (ECHE) quality certifications** under the **Erasmus+ Programme**.

ECHE sets out the fundamental principles and the minimum requirements with which higher education institutions (HEIs) must comply when applying for and implementing activities under the Erasmus+ Programme (2021-2027).

The regulatory framework for this EU Funding Programme is set out in:
- Regulation 2018/1046 (EU Financial Regulation)
- the basic act (Erasmus+ Regulation (EU) 2021/817).

The call will remain open for the entire programming period 2021-2027 (with yearly cut-off dates) and will be managed by the **European Education and Culture Executive Agency (EACEA)**.

We invite you to read the call documentation on the Funding & Tenders Portal Topic page carefully, and in particular this Call Document, the **ECHE Certificate**, the **ECHE Guidelines** and the **EU Funding & Tenders Portal Online Manual**.

These documents provide clarifications and answers to questions you may have when preparing your application:
- the **Call Document** outlines the:
  - background, objectives, scope of the certification (section 1)
  - timetable (section 2)
  - admissibility and eligibility conditions (including mandatory documents; sections 3 and 4)
  - criteria for exclusion (section 5)
  - evaluation and award procedure (section 6)
  - award criteria (section 7)
  - other conditions (section 8)
- the **Online Manual** outlines the procedures to register and submit applications online via the EU Funding & Tenders Portal ('Portal').
- the **ECHE Guidelines** describe how the ECHE principles should be implemented.

1. Background, objectives and scope

The Erasmus Charter for Higher Education (ECHE) is an EU quality certificate for higher education institutions (HEIs). It is a prerequisite for all HEIs from Erasmus+ Programme countries and Western Balkans third countries not associated to the Programme to apply for funding under Erasmus+ calls (including calls managed by Erasmus+ National Agencies).

---

By applying for the ECHE, the HEI confirms that its participation in Erasmus+ is part of its strategy for modernisation and internationalisation. This strategy acknowledges the key contribution of student and staff mobility and of participation in transnational cooperation projects, to the quality of its higher education programmes and student experience. The ECHE aims to reinforce the quality of student and staff mobility, as well as of cooperation projects.

The certification procedure consists in validating the status as a ‘higher education institution (HEI)’ and certifying compliance with the ECHE quality standards (Erasmus Policy Statement, quality of organisation and management structures and the implementation of ECHE principles).

The ECHE will be valid for the entire duration of the Erasmus+ Programme 2021-2027 (and up until the end of projects funded under that Programme). The award of the ECHE does not automatically imply any direct funding under the Erasmus+ Programme.

ECHE holders will be subject to regular monitoring by the National Agencies.

8. Other conditions

Communication and visibility

ECHE holders must promote the Erasmus+ Programme activities and must display the Charter prominently on their website (in the official languages of their country and at least another widely spoken Programme Country language).

Monitoring

If problems are identified, an action plan will be agreed between the holder and the Erasmus+ National Agency to solve the issues. If the action plan is not properly implemented (or late) the National Agency will report this to EACEA and this may lead to the withdrawal of the certificate.

For more information about the monitoring of the ECHE principles, see the ECHE Monitoring Guide for Erasmus+ National Agencies.

Withdrawal

EACEA may withdraw the certificate if the institution loses its status as ‘higher education institution’ or no longer complies with the ECHE quality standards.
