

Connect UNITA

THE TIME-SPATIAL-LINGUISTIC TEACHING AND LEARNING TRAVEL MACHINE

What are the barriers that could impeded to international student mobility?

- financial aspects
- family/personal commitments
- linguistic difficulties
- fear to waist time dedicated to revisions
- being far away from family/friends
- fear not to find an accommodation

ConnectUnita enables inclusive virtual and hybrid solutions, emphasizing digital and environmental shifts, while removing financial and travel barriers by answering this problematic:

“How to deal with the geographic, linguistic, and temporal barriers necessary to enable international collaboration within UNITA and beyond?”
