

Our mission:

Rooted in European values, our Alliance of European Universities of Technology will turn global challenges into opportunities by empowering people with knowledge and competencies in science and technology, to drive responsible transformation for the benefit of society.

INTRODUCING
**Diversity, Impact and Dissemination
Approach at ENHANCE**

www.enhanceuniversity.eu

HOLISTIC APPROACH

Diversity needs Impact ↔ Impact needs Diversity

- ENHANCE Diversity Office as impact booster and disseminator 
- Mainstream Inclusion, Diversity and Equity (Charter, Processes, Decisions etc.)

Annual Report

Diversity Resources Centre

(Annual) network meetings

DIVERSITY AND INCLUSION HUB

- Part of the ENHANCE's holistic approach
- Inter-alliance network (Currently 21 Alliances – still growing)
- Different alliances, same challenges on IDE!
- Good-practices and joint actions with other alliances
- Learning, Sharing with each other (Good-practices, Challenges)
- Community of Practice
- Inter-connected with other stakeholders (in development, e.g. Innovation)
- Virtual spaces on Slack and Padlet
- Initiated and Moderated by ENHANCE

EMPOWER GROUPS WITH FEWER OPPORTUNITIES

Educate the community (Training, events, debates, campaigns)

Foster bottom-up engagement (Seed Fund, Networking, Peer-Learning)

Increase active outreach (Peer-Ambassadors, Mentoring, STEM Competition)
