EUA survey on Erasmus+ (forthcoming 2023). Q31 Do you agree with the following statements regarding the Erasmus + student mobility? (N=285)

The overall amount of funding the institution receives is sufficient to send the majority of interested students

The grants provided to student are appropriate (= while it may not cover the full costs, it usually does not hinder students from participating)

The financial rules are clear and easy to apply

Funding ceilings for travel costs are appropriate (= while they may not cover the full costs, they usually do not hinder students from participating)

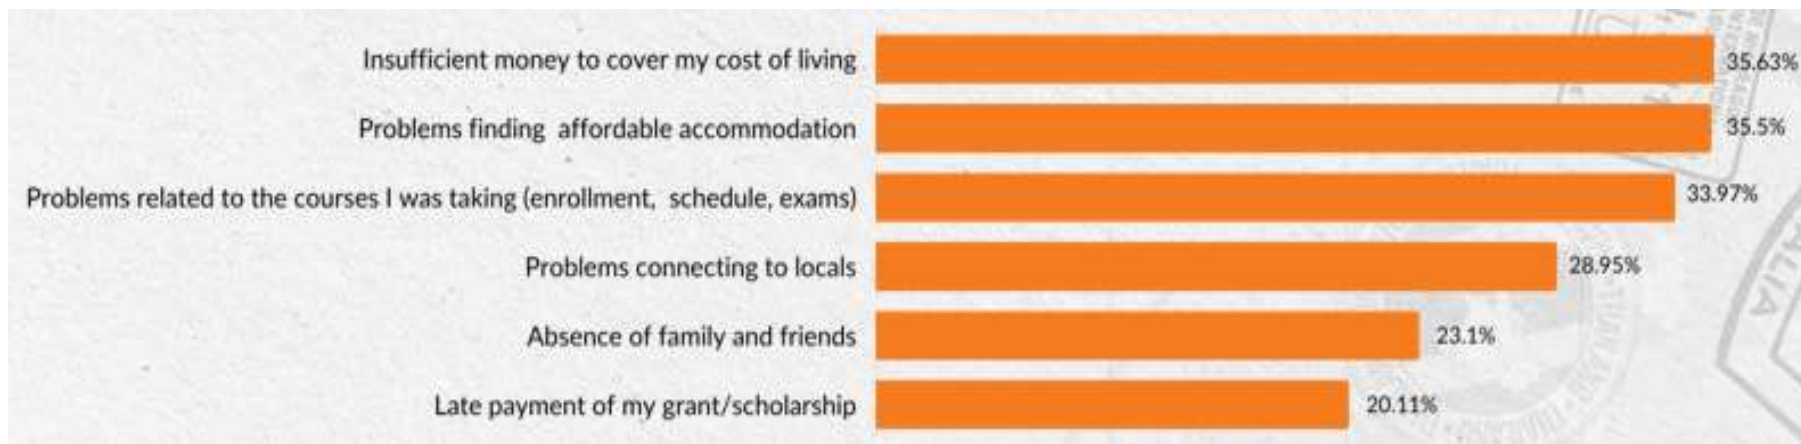

■ Yes, fully ■ Yes, to some extent ■ No ■ I do not know

Challenges for outgoing students

Students cannot afford it (lack of scholarships, limited coverage of costs etc)	81%
For some academic disciplines, credit mobility is difficult	69%
Differences in the academic calendars	68%

EUA Trends 2024 (forthcoming). Q45. What do you see as challenges for your outgoing students (credit mobility)? Yes + Yes, to some extent (N=473)

XV ESNsurvey: Did you experience any of the following issues during your study abroad?. N= approx. 23.000. Draft available online: <https://esn.org/news/launch-preliminary-results-xv-esnsurvey>

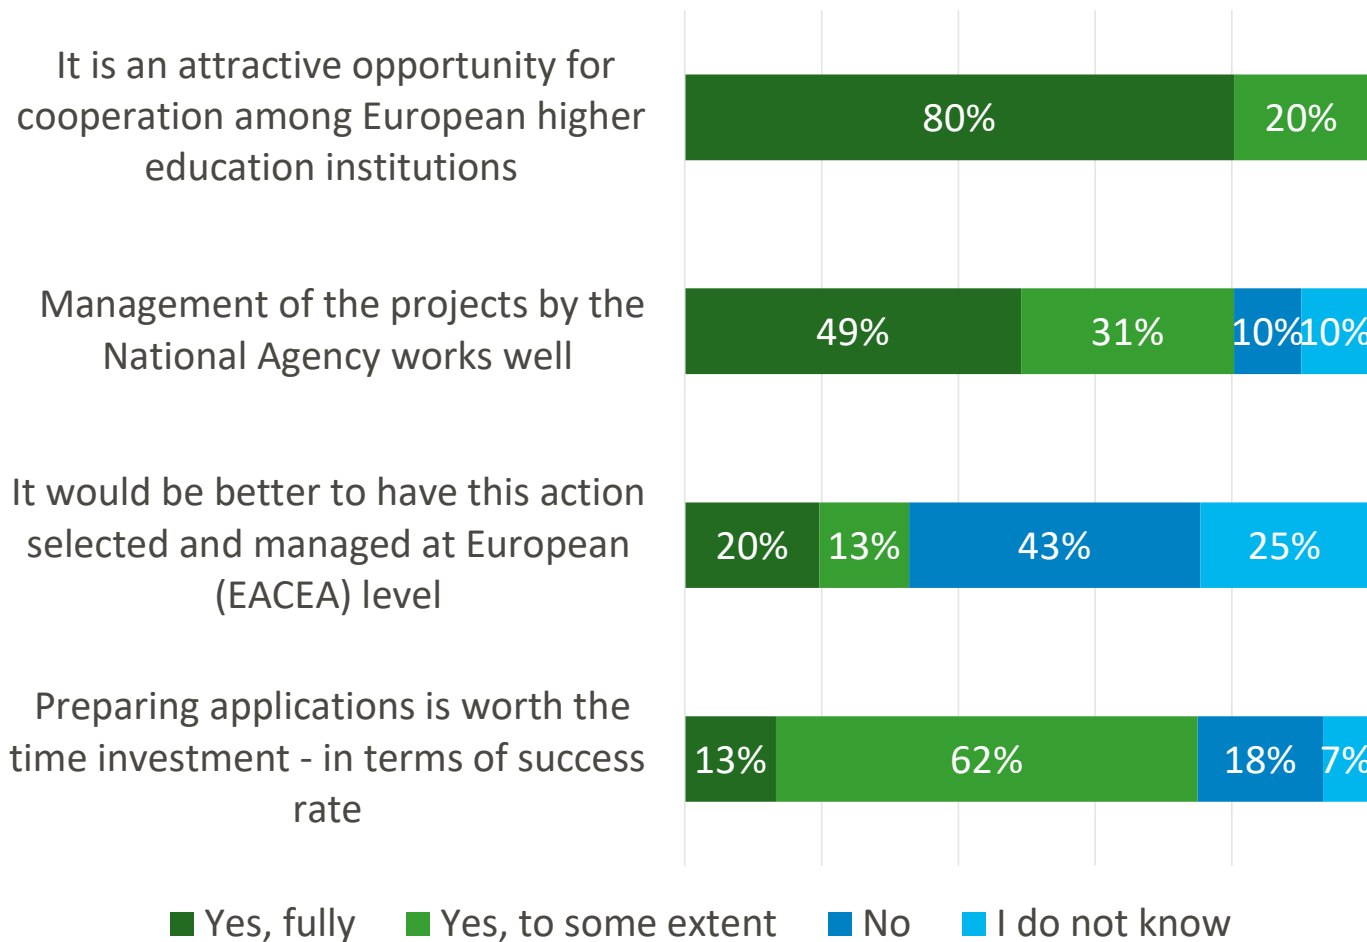

80%+ (yes + yes to some extent): “The overall amount of funding the institution receives is sufficient to send the majority of interested students. & size of the grant does not deter majority of students to participate”

Yet, how come funding is named as number one challenge by students?
