INCLUSION AT MAASTRICHT UNIVERSITY

FGS Buddy Project

Match new FGS student to current FGS student

- Creates more sense of belonging
- Helps adjusting to university life (PBL system)
- Helps find services if required

Peer Support

Peers support fellow students (FGS/disability/international) in adjusting to UM/student life/the Netherlands.

Peers meet each other monthly to discuss issues with the guidance of psychologist.

UM FGS Scholarship

- Scholarships for Dutch FGS students
- Tuition fee covered
- Psychological guidance
- Study results check
- 'Mandatory' FGS buddy

Pre-Academic Training

- For international students
- Focus on academic skills (PBL), English skills and academic culture
- 3-week course for a smoother integration

ISAP

Support new students in adapting to life in Maastricht by pairing them with a buddy (a current UM student) during the first weeks in the city: to guide them through the process of settling in and join various social activities, giving them the opportunity to meet other students and discover Maastricht in a fun way.
